

LOCAL **OPPORTUNITIES**

SPRING 2018

The Lord has given Covenant "The Global Outreach Vision 2020," which is about making disciples of all nations. God has called Covenant, and that includes you, to concentrate on five international focus areas:

- **Dominican Republic**
partnering with the House of Restoration Church's Community Hope and Transformation (CHAT) program to see local transformation
- **Greece**
partnering with Hellenic Ministries to see discipleship through sports camps, Bible distribution and supporting church planters
- **Ethiopia**
church planting among unreached people groups with New Life Faith Ministries that work among Muslims
- **India**
support of national church planters in unreached areas with India Gospel League who trains Indian barefoot pastors
- **Syria and Syrian refugees**
support of the persecuted church and refugees by working with the Church of Tyre (Lebanon), which serves Syrian refugees

Equally part of the Global Outreach Vision 2020 is that the Lord has called Covenant to engage in three local areas of discipleship outreach:

- **West Greenville**
supporting local partner ministries: Third Street Education Center, Building Hope, Greenville Community Center, and House 1209 Breakfast Ministry
- **Community Involvement**
serving and volunteering with local partner ministries and organizations rather than starting our own community ministries at Covenant
- **Open Homes**
as a starting point to witness to and disciple our neighbors, communities, international students, refugees, immigrants, people from other countries, and foster care/adoption

We serve in some capacity locally and globally at the same time because Jesus called us “to make disciples of all nations” (Matthew 28:19).

This booklet is written to give you some possible next steps related to our local opportunities. The Lord may lead you to respond in a way we haven’t thought of, and if that happens, we will celebrate with you! But if you are struggling to know what you can do, we encourage you to look through this information and choose a place to start. Please feel free to contact our office with any questions! We would like to facilitate your taking these steps; please complete the form at <https://covenantcc.wufoo.com/forms/local-outreach-opportunities/> or contact us to get involved!

One of the best ways for us to get involved in outreach is through our prayers. Literally every person in our church can participate in prayer for outreach. We also know that prayer is incredibly important, arguably the most important way for us to support outreach and local organizations.

REGULAR PRAYERS

Global Outreach Weekly Prayer Letters

Sign up to receive weekly emails with prompts to pray for missionaries, ministries, and other Covenant Global Outreach events:

<http://eepurl.com/bWEjSr>

Potluck, Praise, and Prayers

This prayer meeting will take place on a Friday evening every other month starting in February. Join us for a time of food, worship, and prayer to lift our focus areas to the Lord. Follow the Global Outreach Facebook page to keep up with them!

Burn 24/7

Burn "furnaces" host monthly, weekly or sometimes daily sessions of non-stop worship, prayer and adoration. Teams, representing churches across the city, take shifts to worship, pray and to contend revival in the church and transformation of cities and nations.

Prayer for Missionaries

Every month we contact our missionary partners and invite them to share prayer requests and praises with us. We compile what they send us and insert a document into that month's New Covenant. We invite you to pick up a New Covenant and keep the prayer insert with your Bible so that you can pray for the missionaries daily. If you are unable to pick up a hard copy or prefer a digital copy, that can be provided as well.

FOCUS AREAS

Our Global Outreach Vision 2020 is to make disciples who make disciples of all nations, which includes our local communities. The Lord has called us to concentrate on three local focus areas. You can pray for each of our three local focus areas in these ways.

West Greenville

Pray that the systems which contribute to brokenness in West Greenville would be torn down and rebuilt in empowering ways. Pray for the Lord's work in symptomatic and spiritual brokenness that residents of West Greenville would experience the hope, forgiveness, and freedom that comes with the gospel.

Open Homes

Pray for the teams working to welcome people (e.g., the International Welcome Team or Chipper's Champs) and for members of our congregation to be transformed so thoroughly by the welcome of the Lord that we cannot help but welcome others into our own lives.

Community Transformation

Pray for the Lord to move in our community so that it would be transformed by the power of the gospel. Pray that our congregation would be mobilized to be salt and light all over the community. Pray for our supported missionaries and ministry partners listed on pages 6 and 7.

support

MISSIONARY CARE TEAM

The purpose of the missionary care team is to provide relational, spiritual and emotional support to our local and international missionaries so that they are fully empowered to fulfill God's missional calling on their lives.

This team focuses on three things for missionaries. First, we think strategically about how more people at Covenant can be involved in missionary care. Second, we are relationally supportive of our missionaries. Last, we are advocating for missionaries by promoting them in our small groups and getting others connected to and praying for them.

HOSPITALITY TEAM

The purpose of the hospitality team is to provide a hospitable welcome to missionaries, special speakers, and instructors. The team is willing to assist missionaries with housing when they come home on furlough. The team members assist with coordinating meals for missionaries, and they will also help organize meet and greets for the people of Covenant to meet with missionaries.

mobilize

LOCAL STRATEGIC VISION TEAMS

The purpose of these teams is to assist the GO Team in formulating strategies regarding the different focus areas and to mobilize our Church to be involved in those areas. The teams will not determine the ministry of our partners, but rather strategize how Covenant Church will be involved in the different areas and how we will support and encourage our partners. They will then also plan programs, projects and events to promote the different focus areas as well as volunteer teams local and international. The most important part of these teams' responsibility will be to gather prayer requests from the different areas and communicate it to our congregation to pray for our partners, missionaries and volunteer teams.

If you want to get more involved in our local or international outreach, then this is a place for you. These teams will meet every 2-3 months for strategic planning, be involved with an annual prayer event for the focus area and be the mobilizers par excellence!

We are planning to form the following local Strategic Vision Teams in 2018:

- West Greenville
- Community Transformation
- Open Homes
- Washington Local Outreach

NEW COVENANT

The *New Covenant* is our monthly outreach magazine. We are moving toward being image-driven with gospel-centered content that is easy to apply. We have a quarterly meeting to discuss upcoming issues and orientate incoming contributors.

Love to write?

We need voices! People from all walks of life, to write for us. Topics will be assigned but there are opportunities for recurrent pieces as well as one-time interest pieces.

Got an eye for errors?

Submissions for the *New Covenant* must be proofread before they can be formatted by our graphic designer. We'd love your help editing submissions to prepare them for the magazine!

Passion for photography?

As we move toward an image-driven magazine, we need good quality photos taken at our events, trainings, and outreaches.

God has chosen to do the work of missions through the financial support of faithful saints. If you feel God is asking you to support His work taking place in our community, ask him where. We have some local and national options to join in where Covenant is already partnering financially, but we encourage you to follow where God is leading you to give.

reach out
locally to
internationals

INTERNATIONAL STUDENTS

In 2015/2016, over one million students from other countries (1,043,839, to be exact) studied at universities in the U.S., 69,000 more than the year before. Many international students (some say 70-80%) never set foot in an American home. You can change this statistic. We have a vision to build a team of people who have a passion for reaching out to International Students to coordinate airport pick-ups, holiday meals, and long-term relationships building with these students.

WELCOME REFUGEE TEAM/INTERNATIONAL WELCOME TEAM

For the past year, our church has cared for refugees who've been displaced from their homes due to very difficult circumstances through the Welcome Refugee Team. The team has expanded its focus to welcome internationals. The team assists with simple but necessary things like finding a place to live, a job, and registering kids for school.

UNREACHED PEOPLES IN NC

Did you know that there are people who belong to unreached people groups right here in North Carolina? Typically, they have moved to the U.S. as immigrants, refugees, or international students and there are practical ways that we can reach out to them. Through ESL classes, meal-sharing programs, or opening your home, you can be part of reaching people with the gospel with the prayer that their home communities will be changed as well.
